Presentational skills

On various occasions, I have won prizes for excellent presentations and teaching. I have been teaching at two universities for a longer period of time. At both universities I was nominated by the students for the prestigious *Best Lecturer of the University* award and students set up internet petitions for me to stay at that university.

(See <http://www.phil.uu.nl/~icon/jjj/>
and <http://www.jjmoetblijven.nl>)

Written presentations comprise over more than 20 scientific publications, some popularizing papers, satirical articles and a flamenco review.

Other activities

- Advising in more than four different *New Venture* (started by McKinsey & Co.) projects
- Advisory role in 2004 *New Venture* finalist *Xebra*, at the TU/e (STW grant of 25.000 €)
